

Life Changing Spinal Innovation

Product Catalog

Upper & Lower Spinal Orthotics

OVER 25 YEARS

of Research & Development

Aspen Medical Products® is a leader in the development of innovative spinal bracing for post-trauma stabilization, pre-and-post surgical stabilization, pain management and long-term patient care. Aspen Medical Products offers multiple orthotic options that provide unsurpassed motion restriction, superior comfort and an economic advantage, encouraging better patient compliance. The company occupies a 51,000 square-foot facility in Irvine, California and has local representatives throughout the United States as well as representation worldwide.
